"William J. Snoddy, father of Alfred N. Snoddy, was born in Shippensburg, Pennsylvania, February 7, 1792, and received as good an education as was possible to secure in the schools of that day. He was reared to the life of a farmer and followed that occupation all his active days. In young manhood he went to Butler County, Ohio, and there, in 1827, married Mary B. Shrader, of Pennsylvania-Dutch stock, and who was born in Westmoreland County, PA, in 1801. They continued to reside in Butler County until 1834, when they moved to Tippecanoe County, Indiana; locating on land which he had entered in 1829. At the time of their removal, Mr. Snoddy also entered three hundred and twenty acres more, this including the land on which Alfred N. Snoddy now lives. This land Mr. Snoddy cleared and improved, erecting a good set of farm buildings and otherwise putting the place in good shape for successful farming, according to the standard of that day. He acquired other land from time to time as he was able, until eventually he owned a total of seven hundred acres.

William J. Snoddy was a man of strong intellect and because of his progressive methods and upright life, he commanded the respect of all who knew him. Politically, he was a Democrat until 1856, when he became of Know-Nothing, but still later joined the Republican party, of which he was ever afterward a staunch supporter. He was prominent in public affairs and in 1845 was elected a member of the board of county commissioners, and was twice re-elected to the office; a marked evidence of his popularity and the efficient manner in which he discharged the duties of the office. During his first term in office, the second court house was erected, the details of which were largely under his supervision. In 1855, Mr. Snoddy was elected to the office county surveyor. In 1847, he had been elected a member of the lower house of the state legislature and served one term to the entire satisfaction of his constituents. In religion hwas was a member of the Presbyterian church and gave to that body an unreserved and hearty support, officiaating as elder and contributing liberally of his means to the support of the church and the spread of the gospel. His first membership was with the church at Lafayette and it was necessary for him to ride horseback from his farm, but it is related that he missed but few meetings. William J. Snoddy died in March, 1866, at the age of seventy-four years, and his remains lie in the cemetery at Dayton."

"Back to stanch old German and Scotch stock does Alfred N. Snoddy trace his lineage, and that in his character abide those sterling qualities which have ever marked the true types of these nations is manifest when we come to consider the more salient points in his life history, which has been marked by consecutive industry and invincible spirit, eventuating in his securing a high place in the confidence and esteem of his fellowmen."

"Alfred Nevin Snoddy was born April 21, 1834, in Butler County, Ohio, and the same year was brought by his parents to the new home in Tippecanoe County. He first attended school under the instruction of his father, who was one of the first teachers in the township. He subsequently entered Hanover College, at Madison, Indiana, where he graduated in 1855. The year following his graduation, his alma mater conferred upon him the degree of Bachelor of Science. During 1856-7 the subject studied medicine under the direction of Dr. Robert O'Ferrell, of Lafayette, and the matriculated in the Ohio Medical College at Cincinnati, graduating in 1859 with the degree of Doctor of Medicine. He then entered upon the active practice of his profession at Monroe, Indiana, in partnership with Dr. Moses Baker, under the style of Baker and Snoddy; which relation existed for four years. Then, on the death of his father, the Doctor relinquished his practice and returned to the home farm and took up the active management of the same, to which he has since devoted himself. He has given up active labor, being now practically retired, but he still keeps in close touch with business affairs and under his general oversight the property is kept up to the high standard set by his father. He now owns personally two hundred acres of the old place and has a very comfortable home, in which he takes a justifiable pride. He has in his possession the original sheepskin patent for the land, bearing the signature of Andrew Jackson, which has always remained in possession of the family.

On July 13, 1859, Alfred Snoddy was united in marriage with Margaret H. Seawright, a daughter of Hon. Wilson and Martha (Mitchell) Seawright. To Mr. and Mrs. Snoddy were born the following children: William Wilson, born August 5, 1860, is deceased; Samuel Alfred, born February 11, 1862, resides at Lafayette; Charles Lewellyn, born June 7, 1865, lives at Terre Haute, Indiana; Martha Bell, born April 6, 1868, at home; Anna Lyle, born June 8, 1872, died April 6, 1876; Edith Elda, born November 28, 1878, lives at Indianapolis.

Snoddy having already received from me \$3,000; Marthy B. Snoddy, \$100; Charles L. Snoddy, \$100, with interest from date of paper; Edith E. Davidson (no amount noted). Second, I give to my daughter Marthy B. Snoddy all kitchen and dining room furniture and all appurtenances belonging thereto. All other personal property may be sold and applied to paying my debts. I appoint my two sons, Samuel and Charles, executors of this my last will and testament."

After the death of Dr. Snoddy on June 12, 1918, as noted in Court Document 520, a petition was filed in Tippecanoe County, Indiana, in which it was noted that Martha B. Sharp and Edith E. Davidson contested the will left by their father, specifically the division of real estate valued at \$21,000. After much controversy among the heirs, the matter was settled out of court by selling all the property and, after expenses, dividing it equally among the heirs who each received \$4,468.61 from the estate.

SAMUEL N. SNODDY

It is the progressive, wide-awake man of affairs who makes the real history of a community. His influence as a potential factor in the body politic is difficult to estimate. The example which he furnishes of patient purpose and steadfast integrity illustrates what every man may accomplish. There is always satisfaction in referring, even in a casual way, to his achievements. A man of this type is Samuel N. Snoddy, a retired farmer of Deer Creek township, Carroll county. Not only does he own a fine farm in Deer Creek township but also a large tract of land in Wisconsin.

Mr. Snoddy was born on September 14, 1840, near Dayton, in Tippecanoe county, Indiana. He is the son of William J. and Mary (Shrader) Snoddy, the former of whom was born in Cumberland, PA, in 1793, and who died on March 10, 1865. The latter was born in Westmoreland county, Pennsylvania, in December, 1801, and died in April, 1889, at the age of eighty-eight years. They were married in Butler county, Ohio, in 1827, and had six children, three of whom are living. The children, in the order of their birth, are Amanda, Matthew, William, Alfred Nevin, Luellwellyn Olive and Samuel N. Amanda, who died in Remington, Jasper county, Indiana, in 1886, was the wife of George Major, who died in 1902, and by whom she had eight children. Matthew died in 1846. William passed away at West Lafayette on May 29, 1912, in his eightieth year. Alfred Nevin, born on April 21, 1834, lives on the old homestead in Tippecanoe county. The land has been in the Snoddy family ever since it was entered from the government, in 1827. Luellwellyn Olive, who was born in August, 1836, and who served four years in the army, having been appointed a captain of a colored company shortly after his enlistment, lives in Kansas. Samuel N. is the subject of this sketch.

William J. and Mary (Shrader) Snoddy removed to Tippecanoe county after their marriage, settling on the farm where both died. William J. Snoddy was one of the pioneer settlers of Tippecanoe county. He was the son of John Snoddy, a native of Ireland, who settled in Pennsylvania after coming to America. Mary (Shrader) Snoddy's parents were natives of Germany, who settled at Pittsburgh, Pennsylvania.

Samuel W. Snoddy was educated in the district schools of this section and attended the high school at Dayton. He lived at home with his parents until January 1, 1865, when he was married in Rossville, Clinton county, Indiana, to Rosana McLurg, a daughter of John and Jennie (Robinson) McLurg. Mrs. Snoddy's parents were of Scotch descent, but were natives of Knox county, Ohio. They had eight children, of whom five, Amanda, Belle, Mary, Jennie and Mrs. Snoddy are deceased. Josephine lives in California; James also lives in California; John lives in Frankford, Clinton county, Indiana. Mrs. Snoddy's parents lived and died in Ohio.

By his marriage to Rosana McLurg, Mr. Snoddy had four children, three daughters and one son, all of whom are living. Flora lives at home, as do also Belle and Mary; Edwin lives in Chicago.

In 1905 Mr. Snoddy retired from active labor. He owns one hundred and sixty acres of well-improved land, which he purchased in the spring of 1889, since which time he has lived in this county. He also owns six hundred and forty acres of land in Wisconsin, and his daughter owns forty acres in California. For some time after his marriage, Mr. Snoddy lived in Kokomo and then moved to a farm in Jasper county, where he remained for fifteen years. Later he lived near

Frankfort, Indiana, for six years and then in Benton county for about one year and one-half. He moved to Carroll county in 1889. Mrs. Samuel N. Snoddy, who was a member of the Presbyterian church, died on April 7, 1913.

The venerable Samuel N. Snoddy is a staunch Democrat. The Snoddy family are all members of the Presbyterian church and have always been active in religious work.

CAR-TRAIN CRASH FATAL WEDNESDAY A Brownsville woman was killed Wednesday afternoon when her car was struck by a train near Springersville.

Mrs. Erma P. Snoddy, 62, R.R. 1, Brownsville, died en route to Fayette Memorial Hospital shortly after the 4:15 p.m. mishap. Mrs. Snoddy died from multiple and massive head and internal injuries, Fayette County Coroner Steve Robbins said. According to the Indiana State Police, Snoddy's car was struck near the driver's door at a crossing on County Road 125-North (Springersville Road) by a train traveling on CSX railroad tracks. The crossing, like all in Fayette County, has a standard stationary stop signal and a standard railroad crossing sign but no flashing signals or drawbridge-type crossing arms.

"The car was hit right behind the drivers door," said ISP Sgt. Mike Marcum, adding that the train was traveling at approximately 40 miles per hour at the time of impact. The 75-car train was being pulled by two engines. The engineer is listed as William T. Hamer, 38, an Indianapolis resident.

Register Report for John Snoddy

Generation 6 (con't)

Marcum and ISP Trooper Rick Gill said the train was traveling in a northeasterly direction. Apparently Mrs. Snoddy did not hear its signal as she approached the crossing. "She drove right into its path," noted Marcum, who said authorities have a theory as to why the tragedy happened. "We theorize a couple of things but we think the glare from the sun could have possibly been a factor." Blood was taken from the victim and Hamer to determine if alcohol or drugs were involved. "That's standard procedure," replied Marcum. "But there was no indication the engineer was under the influence of anything." Assisting in the investigation was ISP Trooper Ron Shoemaker, Fayette County Sheriff Larry Wadle and sheriff's department Sgt. Gary Prifogle, members of Rescue 21 and the Emergency First Aid Unit and personnel from the Everton Volunteer Fire Department.

Mrs. Snoddy was born in Cincinnati, Ohio, May 3, 1928, to Frank and Lovena Jones Hudson, and came to Fayette County with her family as a child. A graduate of Everton High School with the class of 1946, she had worked at Lincoln Lodge Nursing Center and at the Connersville Nursing Home. She was a member of the Bentley Biscuit Club and was serving as president this year.

Survivors include her husband, Charles E. Snoddy, whom she married here on October 24, 1946; four sons, Eddie Snoddy of Dublin, James Snoddy of Cambridge City, Eugene Snoddy of Connersville and Terry Snoddy of Lewisville; three daughters, Mrs. David (Cheryl) Brown and Mrs. Robert (Jennifer) Gillespie, both of Connersville, and Mrs. Jerry (Tracy) Biehl, Jr., of New Lisbon; her stepfather and mother, Ray and Lovena Adams of Connersville; three brothers, Charles Hudson of Connersville, Harold Hudson of Pharr, Tex., and Larry Hudson of Speedway; a stepbrother, Larry Adams of Connersville; a stepsister, Mrs. Wayne (Ellen) Adams of Richmond; 22 grandchildren and two great-grandchildren. she was preceded in death by a son, Alan Snoddy, who was killed in an auto accident in 1975, and her father, who died in 1965.

Rev. Kenneth Chandler will conduct funeral services at 11:30 a.m. Saturday in Miller Funeral Home, where friends may call from 5 until 9 p.m. Friday. Burial will be in Union Cemetery at Lyonsville.

Obit: from the CONNERSVILLE NEWS-EXAMINER dated: Saturday, October 25, 1975, page 1.

COUNTY HAS FIRST 1975 ROAD DEATH - Fayette County recorded its first traffic fatality in 16 months early today with the death of Alan Darl Snoddy, 20 R.R. 1, Brownsville.

Snoddy, injured in an accident east of the city on Ind. 44 shortly after 10 p.m. Friday, died at 2 a.m. today while undergoing surgery at Fayette Memorial Hospital. Fayette County Coroner Leonard Urban said the youth sustained multiple internal injuries, a possible skull fracture and had abrasions and contusions over most of his body. An autopsy was to be performed later today, Urban indicated.

The accident happened several miles east of town on Ind. 44, near the Murphy Bottle Gas plant. Snoddy's auto, enroute east apparently at a high rate of speed, crested a hill and apparently left the road on the north side, skidded back onto and crossed the highway and left the road on the south side.

After leaving the road on the south side, the vehicle continued up an embankment and turned end over end, then flipped onto its side, being airborne for approximately 80 feet. The car then came back onto its wheels and went backwards into the south ditch. Snoddy was thrown out of the car and landed on the highway. While lying injured in the roadway, he was struck by a second eastbound vehicle, being driven by Carl Dowler, 16, 201 East Vine Street, Liberty.

Vicky Marcum, 16, 1013 Maple, a passenger in Snoddy's auto, was also taken to Fayette Memorial Hospital after being pinned in the wreckage for one hour, suffering from a fracture of the lower left leg, possible fracture of the left hip and head injuries. She was transferred first to Reid Memorial Hospital at Richmond and later was taken to an Indianapolis hospital for treatment. Her condition was not available.

An investigation is being held to determine if Snoddy died of injuries sustained in the crash of his own car or from injuries suffered when run over by the second vehicle. Dowler remained at the scene after becoming aware his vehicle had struck an object in the road.

Investigating the crash were State Troopers Steve Leverton and Dave Vermuellen and the Sheriff's Department, assisted by the Everton Fire Department, Officer Jim Hedrick and Det. Sgts. Joe Pitcher and Dennis Sherck of the City Police, and Civil Defense personnel. Officers were of the opinion that the fatality could have been prevented had the victim been using seat belts. They said his auto traveled a total of 448 feet in the crash. The Emergency First Aid Unit was called to the scene at 10:30 p.m. to transport both of the injured to the hospital.

He was born in Connersville July 15, 1955, one of eight children of Charles E. and Erma Hudson Snoddy. A lifelong resident of Fayette County he had attended Waterloo School and Connersville High School and the last two years had been employed at Rasner's Shell Station.
